For over 65 years we have been providing a range of social services and supports to  
**vulnerable and marginalised, individuals, families and communities** across the  
greater Dublin area. We currently employ over 170 staff and it costs almost €9 million  
per year to run our services.

**Crosscare Programmes at a glance:**

1. 4 homeless projects providing over 13,000 bed nights per year.
2. 30,000 meals per year provided to lonely and isolated people from our three  
centre city food centres.
3. Accommodation and support for over 50 vulnerable young boys at our Young  
Peoples residential centres each year.
4. 400 families and teenagers in crisis availed of our Teen Counselling service last  
year.
5. 2,500 people received information and advice on housing and social welfare  
issues.
6. Publications in English, Polish, Romanian and Bulgarian helped over 2,000  
immigrants who attended our migrant project and thousands more were  
distributed at home and abroad.
7. 10 support groups and one to one counselling for people caring for loved ones at  
home.
8. Supporting Traveller inclusion and capacity building and the introduction of a  
Traveller Suicide Prevention project.
9. 35 second chance education groups in our Community Education Network and  
35 young people enrolled in our Community Training Centre.
10. Promoting disability awareness and improved access to facilities and supports  
for people of all disabilities.
11. Drug and alcohol counselling and information on the web and SMS, support and  
guidance by phone or by referral to a counsellor.

As you know Marie Rooney is seriously ill.  
You are asked to keep her in your prayers.  
We have decided with immediate effect to  
close the Parish Office on Saturday  
Mornings in future. The usual Monday to  
Friday arrangements will continue.  
See our Parish Calendar for details.

**Work Begins.**

Work commences this coming week on the  
Church roof, downpipes, etc. This is major  
work and it will cost including professional  
fees and VAT, €350,000. It is required  
because of the deterioration of the roofs  
to the rear of the Church and the porches.  
The builder will set up his site compound  
alongside the Oratory. This will necessitate  
a diversion for pedestrians through the car  
park if you are approaching the Church  
from Balfe Rd. East. The diversion will be  
signposted.

The length of the contract is approximately  
four months and we apologise for any  
inconvenience, especially to those who use  
the Oratory for Eucharistic Adoration.

For many years now we have been working to help people with personal  
financial difficulties, including those recommended to us by organisations such  
as St. Vincent de Paul. We have now introduced a Helpline on Monday 10th  
September which will be available Monday to Friday from 9am till 8pm. This  
makes it easier for people to contact us from their choice of location, and also  
offers them total anonymity to confront what may be an embarrassing situation  
for them. This is a free, confidential and non-judgemental service.
