Thought for the Week

*"I love you, Lord, and the only grace I ask is to love you eternally."
St. John Vianney.*

Celebrating and Protecting Creation.

In his message for the 1990 World Peace Day, Pope John Paul II called for an ecological conversion. Many of us have seen first-hand the effects, especially on the poor, of the unthinking destruction of God's creation and as a result have experienced the ecological conversion that the Pope called for two decades ago.

Extreme weather is one of the clearest signals that climate change is happening. During the first part of August, news of extreme weather in various parts of the world was seldom off the headlines.

Pakistan is having its worst floods in 80 years. Mudslides in North Western China is destroying villages and displacing thousands of people. Poland, Germany and the Czech Republic have also been hit by extreme weather events. Further east in Russia the problem is not excessive rain or floods, but the opposite, a prolonged heat wave with temperatures at record levels of 38° leading to forest and peat fires and all the resulting destruction this brings.

Our own Winter experienced its coldest Winter in a good number of years, with parts of the country brought to a standstill due to freezing temperatures and snow, while the UK has just recorded the driest 6 months in ninety-six years. It is the rising average temperature and freak weather events such as hurricanes, tornadoes and flash floods, which give climate change scientists most concern. This concern was noted in the Irish Bishops' Pastoral letter CRY OF THE EARTH, which was launched in November last year. This states 'God has given us the Gift of this beautiful earth to live on. God's earth provides for us by giving us every material thing we need for our well-being. God also gives us the intelligence and skill to care for the earth, 'Creation is both a gift and a responsibility. It seems that many of us have lost the capacity to relate with reverence to the natural world. It is a spiritual crisis. We need to rediscover a sense of awe and wonder at God's creation. Only then will we have the sustained energy to change our attitude and way of living.

Churches throughout Ireland and elsewhere are being urged to take time to celebrate creation and to consider how they care for the earth. This runs from September 1 to October 10.

Happy New Year?

After the Summer we are back in business. Activities begin again. Children have returned to school or are moving on to College. Our Parish Finance Committee, Parish Centre Committee, our Liturgy Group, and Pastoral Team serving the Three Parishes in the area here already met in the last ten days of August. We need to recharge our batteries by taking time out over July and August. There are no staff changes, except for Tom Curran, Caretaker of the Parish Centre, who has resigned. We wish Tom good health.

Evening Mass Returns

From this weekend the Sunday evening Mass @ 7pm returns. On the last Sunday of each month Priests from our Team Ministry Parishes will say the Evening Mass in turn.

Tom Colgan

Tom, who died on August 20th was one of those hidden people who are involved in the production of our Weekly Newsletter. The work that Tom did was to set up and print the Newsletter. There were three volunteers who undertook this important work in the Parish. Tom was a real gentleman, caring and considerate and we will miss him greatly from the Parish Office. Our deepest sympathy to his wife Olive and sons Tom and Darryl and his extended family. May he Rest in Peace. Anyone willing to take his place? Please give your name to Mary, the Parish Secretary. Training will be provided. Many thanks in anticipation.

All People That On Earth Do Dwell

1. All people that on earth do dwell, sing to the Lord with cheerful voice; serve Him with gladness, praise Him well, come now before Him and rejoice.
2. Enter His gates with songs of praise, come to His courts, approach with joy; honour and bless Him all our days, Gladly for God our lives employ.

Lord Accept the Gifts we offer

1. Lord, accept the gifts we offer, at this Eucharistic feast; Bread and wine to be transformed now, Through the action of thy priest. Take us too Lord and transform us, Be thy grace in us increased
2. May our souls be pure and spotless, As this host of wheat so fine, May all stain of sin be crushed out, Like the grape that forms the wine, As we, too, become partakers. In this sacrifice divine.

Sweet Heart of Jesus

1. Sweet heart of Jesus, Fount of love and mercy, Today we come, thy blessing to implore; O touch our hearts, So cold and so ungrateful, And make them Lord, Thine own for evermore.
2. Sweet heart of Jesus, Make us know and love thee, Unfold to us The treasures of your grace; That so our hearts, From things on earth uplifted, May long alone To gaze upon your face.

Now Thank We All Our God

1. Now thank we all our God, With heart and hands and voices, Who wondrous things has done, In whom the world rejoices, Who from our mother's arms, Has blessed us on our way, With countless gifts of love, And still is ours today.
2. O may this bounteous God, Through all our lives be near us, With ever joyful hearts, And blessed peace to cheer us, And keep us in his grace, And guide us when perplexed, And free us from all ills, In this world and the next.

National Grandparents Pilgrimage

Adoration Times

From Sept 1st. 2010, the Adoration Times in the Church Oratory are as follows
Monday & Tuesday : 11am-7pm.
Wednesday, Thursday, Friday 11am- 1pm.
Now that there are only 2 days where Adoration takes place during the lunch hour of 1-2pm, perhaps more people might volunteer to cover the lunch time period. Many thanks to Sr. Teresita & the outgoing Committee for all their work of promoting adoration in the Parish.
