Thought for the Week

"Love only grows by sharing.
You can only have more for yourself by giving it away to others." - Brian Tracy

THE DEEP END • BY MY WORKS I WILL SHOW YOU MY FAITH

According to the 'World Giving Index' Ireland is listed as the fourth most generous country in the world. There is no denying the generosity of the people of this country, especially in times of crisis and in spite of tough economic situations. The injustice currently threatening our world will not be solved by charity giving alone. During this special season of 'Creation Time' we are being asked to reflect deeply on how we can come together as local communities to tackle climate change. We are being asked to reflect on how we can live more sustainable lives and encourage others to do the same.

In the Second Reading today St James encourages us to look at our attitudes and actions and how they can affect those around us: 'I, by my works, shall show you my faith'. We have a responsibility to be a positive influence in the world.

Can we as parish communities reflect together on these important issues? Do we recycle; do we support local produce and therefore local communities; is our parish FairTrade and if not, how can we get started? How is our use of green spaces in our parish? These small actions can be a prophetic example to others, where we can say to our communities:

'We require a new and universal solidarity… All of us can cooperate as instruments of God for the care of creation, each according to his or her own cultures, experience, involvements and talents.'
Pope Francis, *Laudato Si'*, 14

Green fingers required! We are calling on parishioners who have a love of gardening to help us out with keeping our recently planted flower beds in church grounds weed free. If you would like to volunteer for this project please leave your name and contact number in the sacristy or the parish office.

Newly Opened D12 Men's Sheds Needs You!!!

Location: At the rear of 12 Walkinstown Green (behind the Green Café)

Opening hours: 12 noon -5:00pm - Mondays / Wednesdays / Fridays

Are you bored? Do you have some spare time on your hands? Do you like using your hands?
Want to get out of the house and have a laugh n a cuppa.

Opened in January, The D12 Men's Shed is situated at the rear of the Garden café at 12 Walkinstown Green and can be accessed by the café or by the alley to the rear.

We are currently looking for men who would like to be part of this exciting new venture. We have a large warm shed stocked with tools and work benches where men can work on their own individual projects as well as contributing to community based projects that enhance and improve the locality.

A Men's Shed is a dedicated, friendly and welcoming meeting place where men can come together to socialise, partake in wood/metal work projects for the community, or just chat and enjoy the company of other local men in a fun, relaxed and accepting space. It's a place where men can share their skills and knowledge with others, learn new skills or redevelop old skills. The "Shedders" have the opportunity to contribute to their communities and enhance their health and wellbeing by participating in Men's Sheds.

Becoming a member of a Community Men's Shed gives a man that safe and busy environment where he can find many of these things in an atmosphere of friendship. And, importantly, there's no pressure. Men can just come and have a chat and a cuppa if that's all they're looking for. Members of Men's Sheds come from all walks of life – the bond that unites them is that they are men with time on their hands and they would like something meaningful to do with that time.

If you are interested why not pop in for a cuppa and a chat any Monday, Wednesday or Friday 12 noon -5:00pm or ring Dermot on 0858030382 for more information.
