Thought for the Week

"We have been created for greater things, to love and to be loved"
Saint Teresa of Calcutta

SEEING YOUR LIFE THROUGH THE LENS OF THE GOSPELS
Luke 15:1-32

1. There are three figures in the story of the Prodigal Son. The father is a symbol of an unconditional love. Perhaps you can recall someone showing love to you in a way that showed great forgiveness and acceptance. Have there been times when you have also loved in this way?
2. You may be able to identify with the younger son at different stages of his journey. Be sure to follow it to the point where it becomes a good news story for you – when you 'came to yourself'. Where and when have you experienced a homecoming after a time of exile and alienation.
3. Do not neglect the older son. In contrast to his father, he was very judgemental towards his younger brother. Perhaps you have experienced these attitudes in others towards you, or in yourself towards others. What were they like for you? Where was there life for you, or for others?

MUSINGS

Misfits welcome!

Jesus is being judged, by the authorities, to be mixing with the wrong sort of people – tax collectors, people who have made mistakes or indeed happen to be poor. Jesus welcomes the outsiders, the people who don't fit in, and shares a meal with them – the best way to build a relationship.

Jesus explains that God's love is limitless. He uses the Prodigal Son image, the shepherd searching for his lost sheep and the woman carefully looking through her house in search of a lost coin to demonstrate how eagerly God wants to seek us out and welcome us.

At times we can feel like the misfit – recognising that we may have had a period of ignoring or avoiding God, trying to live on our own strength. It takes courage to trust in the love of God, who like the father in the gospel is always unreservedly and lovingly looking for us to come home.

Essentially, Jesus' message is of radical welcome; not just to those who it is easy to welcome but all. We are called to imitate.
