Thought for the Week

"Dialogue allows us to plan for a future in common. Through dialogue we build peace, taking care of everyone " - Pope Francis

THE DEEP END: Good News

Today marks the 51st World Communications Day, and the theme for this year is 'Fear not, for I am with you': Communicating Hope and Trust in our Time. In his message to mark the occasion, Pope Francis urges us to engage in 'constructive forms of communication'.

'In a communications industry which thinks that good news does not sell, and where the tragedy of human suffering and the mystery of evil easily turn into entertainment, there is always the temptation that our consciences can be dulled or slip into pessimism,' he warns. 'I ask everyone to offer the people of our time storylines that are at heart "good news".'

For Christians, Pope Francis says, the lens through which we view life must be the Good News, the gospel of Jesus Christ: 'In Christ, even darkness and death become a point of encounter with Light and Life … Seen in this light, every new tragedy that occurs can also be a setting for good news, inasmuch as love can find a way to draw near and to raise up sympathetic hearts, resolute faces and hands ready to build anew.'

It is fitting that this day coincides with the Feast of the Ascension. In today's Gospel, Jesus entrusts his disciples with the important task of spreading the Good News – to 'make disciples of all the nations'. The way we communicate, and the news we choose to share with others, is a vital part of our role as disciples.

'The early Christians compared the human mind to a constantly grinding millstone; it is up to the miller to determine what it will grind: good wheat or worthless weeds. Our minds are always 'grinding', but it is up to us to choose what to feed them.' Pope Francis' message for the 51st World Communications Day

DEBRA Ireland is a national Irish charity, established to provide support services to patients and families living with the debilitating skin condition epidermolysis bullosa (EB). We also drive research into treatments and cures for those living with the condition. We were established in 1988 by the patients and families of those living with EB. Our patient focus has never changed since then and is reflected by the fact that patient family representatives continue to sit on our Board and their opinions inform our decisions both in terms of how we raise money and how we spend it. We provide hope and support to those living with EB, there are currently 300 people living in Ireland living with the condition. DEBRA Ireland provides support not only to them but to their families who regularly act as carers

PRAYER FOR MANCHESTER

God of compassion,
you are at the side of all who undergo
the cruelty of human violence.

We entrust to you the victims of the terror attack
in Manchester and their families.

Deeply disturbed by the incomprehensible sufferings
of the innocent across the world,
we believe that the words of Jesus, Your Son,
words of love, mercy and hope, will never pass away.

So we implore you: send consolation and healing,
grant us your peace, may your kingdom come.
Through Christ our Lord. Amen
