Thought for the Week

"There are two ways of spreading light: to be the candle or the mirror that reflects it" - Edith Wharton

THE DEEP END: Selfless love

It can be difficult to understand why anyone would willingly place a burden on themselves. We are bombarded daily with promises of a better, easier life. Magazines and lifestyle gurus offer us a better work-life balance. New gadgets pledge to remove obstacles or irritations and make our lives less stressful. It's all a bit of a contrast to the message of today's gospel, where Jesus says that his followers must take up their cross. Why would we deliberately suffer, or take on a burden? Surely we should aim to make our lives as easy as possible!

Yet, we see self-sacrifice all the time. Parents make sacrifices for their children, and many people tend lovingly to elderly parents or relatives. Friends give up their time to listen and support each other. Teachers go the extra mile for a vulnerable child, and nurses, doctors, and care workers often go beyond the call of duty. Countless people give up their time and resources to help those in need, whether it's raising funds for charities or offering practical support to those who are sick, homeless, or struggling. And it's all done out of love.

When Jesus tells his disciples that he is going to suffer grievously and be put to death, they naturally react with shock, as it seems like a strange path to choose. But he is not doing it simply to make life difficult for himself. His sacrifice stems from his passionate love for us, just as we would sacrifice everything for someone we love dearly. Being a follower of Jesus means being prepared to sometimes put others' needs before our own.

September 1st is World Day of Prayer for the Care of Creation. According to Pope Francis, this day "offers to individual believers and to the community a precious opportunity to renew our personal participation in this vocation as custodians of creation, raising to God our thanks for the marvellous works that He has entrusted to our care, invoking his help for the protection of creation and his mercy for the sins committed against the world in which we live." . Visit www.NewPilgrimPath.ie for an 8-minute online guided reflection on your own role in caring for our common home.

B.E. - BEGINNING EXPERIENCE

B.E. is a support group for those coping with the pain of loss of their life partner, through Death, Separation or Divorce. Few people are able to cope alone with the pain of loss. Do you find that you need more support than family and friends can provide? Seeking help is a sign of strength and self-knowledge – not weakness. This is a healing ministry, which helps to resolve the grief that goes with the end of a marriage or relationship. Coping effectively with bereavement is a skill we can all learn. A team, who are themselves widowed, separated or divorced share their experiences with you.

Next Coping Programme will commence on Wednesday 13th September 2017 for 7 Wednesday evenings, at 7.15pm in White Friars Community Centre, Aungier St. ,Dublin 2 (No need to book) For further information phone 086 0877379 or email bedublin@gmail.com. www.beginningexperience.ie

Falling Fruit Ireland - Food Sharing Project

Fallingfruit.ie is a project to harvest the seasonal glut of local fruit (apples, pears, plums, nuts, etc.) in Dublin and to direct it to charities that cater for those in need. Each year hundreds of fruit trees go unpicked. 'Falling Fruit' organises a team of volunteers to pick the fruit and distribute it to local charities or other good causes. In 2017, we also aim to collect surplus vegetables from the grower's fields – gleaning for charities! This initiative acts as a helpful service to households who have fruit going to waste in their gardens. It also serves the community by directing the surplus fruit to local charities, where possible. Contact bernie@fallingfruit.ie or Tel. 086 2134897 if you wish to offer fruit or volunteer
