Thought for the Week

"Palm Sunday tells us that ..it is the cross that is the true tree of life". - Pope Benedict

SEEING YOUR LIFE THROUGH THE LENS OF THE GOSPELS—Mark 14:1–15:47

1. The injustice and brutality of the Passion of Jesus make it a difficult story to read as good news. Yet in the midst of that cruelty the courageous, faithful and self-sacrificing love that Jesus showed for us shines through. Recall moments when the account of the Passion has moved you in a special way. How have you experienced blessing through it?
2. Human love can also be painful. When have you experienced the courage, fidelity and self-sacrifice of others in their love of you? When have you shown that kind of love to others, as a parent, a spouse, or a friend, or in some other relationship?
3. We read the Passion story in the light of the resurrection. What seemed a humiliating and shameful failure for Jesus was not the end of the story. Perhaps with hindsight you can look back on something in your own life that seemed like a tragedy at the time but out of that tragedy new life and new possibilities followed for you.
4. For each of us there arise situations in which we feel things are outside our control and we are utterly helpless and powerless. We are not alone in this experience. In his Passion Jesus is one with us in this human helplessness. When have you found that the presence of another with you helped you through a crisis? When have you been able to help another with your presence?

A COMMON HUMANITY
Statement of the Irish Catholic Bishops Conference

A Thought on the forthcoming referendum.

At every point, from conception on, the baby has the potential to realise the fullness of life that God intended. All that is needed is time and nurturing. Today we see more clearly that human life begins at conception. There is no later stage in a baby's development where we can say; 'up until now the foetus was not a person and now it has become a baby'

S.F.O. Meeting will be held on Monday 26th March from 3-4pm in the Columban Sisters, Lecto Divina and Devine Office. Prayers before the Blessed Sacrament. Third Order Franciscans.

GREAT NEWS

We are delighted to learn that our Holy Father, Pope Francis will be coming to Dublin to mark the gathering for the World Meeting of Families, which commences on the 21st of August. He will be at the celebrations in Croke Park on Saturday the 25th and the following and final day in the Phoenix Park.
This visit shows the importance Pope Francis attaches to family life. We look forward to supporting Diocesan and Parish plans for this wonderful occasion.
This year the annual celebration of Marriage Jubilees which we usually hold 2 weeks after Easter will take place at a date to be arranged in July, which will be close to the date of the World Meeting of Families.
