Thought for the Week

"If it is important to you, you will find a way. If not, you'll find an excuse" - Anonymous.

THE DEEP END: 'So you are a King?'

Today is the Feast of Christ the King and this Gospel certainly gives us an opportunity to lay aside a lot of cultural baggage we may have about kings, leaders and kingdoms. The Jewish leaders want Jesus executed and so they bring him to Pilate who engages in a debate with Jesus on 'kingship'. Jesus is accused of claiming to be a 'king' and this passage plays on both the political and religious meaning of that word. Pilate is concerned with whether or not Jesus poses a threat to Roman rule, while the Jewish religious leaders are worried about the type of 'Messiah king' Jesus claims to be. Through his ministry Jesus has shown them that His kingdom is unlike the one that Pilate, or many other earthly leaders know. It is a kingdom built on love, service, justice, reconciliation and peace. Few 'kings can measure up to this. Jesus is a servant King, a beacon light for today's world. Who do you know in our world today who is the more living example of this type of kingship? When you look at the world's political leaders, do they shine like a beacon light striving for peace, justice and care for the earth? On this Feast of Christ the King we celebrate a type of kingship that is a display of radical love. What a different world we would have if all those who hold power and authority led in such a way. Let us pray today that all leaders will be open to listening to the Spirit and strive for a more just world.
