Thought for the Week

I began learning long ago that those who are happiest are those who do the most for others. - Booker T. Washington

The Deep End
Called to 'come to our senses'

The three parables of things lost and found emphasise the unending forgiveness of God, and God's rejoicing for those who return. In each of the situations there is a frantic search for that which is lost and a huge celebration when the lost is found. In the parable of the Lost Son there is much to reflect on. We hear that the younger brother eventually 'came to his senses.' We might pray today that God show us the aspects of our lives in which we also need to come to our senses.

In this Season of Creation, we lament the destruction of God's creation, we reflect on the loss of bio-diversity and the loss of human life caused by climate change. We pray that as a global community we might, like the lost son, 'come to our senses' and take the actions that are necessary to change course. It all seems so huge and perhaps we feel there is nothing significant we can do. That is not the case. As parishes, we can lead by example and show our commitment to care for the earth. The future of our environment depends on the action we take now as a society. As with all significant change, it begins with the grassroots.

'I wish to address every person living on this planet…to enter into dialogue with all people about our common home…The climate is a common good, belonging to all and meant for all.' (Laudato Si'3,23)

Suggestion for the week: Can you encourage your family to make small changes in the home, such as ensuring all waste is correctly recycled, composting, encouraging one another to use public transport or walk/cycle when possible? We start with ourselves.

New Pilgrim Path - Website of the Week.

Founded by the American Quaker theologian, Richard Foster, Renovaré (from the Latin "to renew" or "to restore") is an ecumenical Christian organisation dedicated to helping individuals and churches to become better Christians by engaging in "intentional Christian spiritual formation." Renovaré encourages people to develop a balanced vision of Christian faith and witness which draws on the experience of the whole church - across all denominations, and throughout Christian history - and to develop that into a practical strategy for spiritual growth, drawing on classical religious activities, such as prayer, Bible reading, worship, meditation, fasting, and silence. MAKING YOUR WILL

Many of our parishioners have been generous in their support for the parish over many years. Perhaps you are considering making or updating your will. A gift in your will is a wonderful way of continuing your support for the parish after your death. In recent years we have benefited from such generosity. Your legacy could greatly help the parish in the years to come. Thank you in anticipation for your kindness.

Faith for Life is an adult faith course designed to help you to discover new ways to live out your faith in the reality of today's world, within relationships, family, home, workplaces and the events of daily life. It aims to help you to be more active, open, faithful, confident, trusting and willing to work for change. The course is experienced as a journey of four 'Movements' inviting you to explore the call you received in Baptism. The process for each weekend includes teaching, personal and group reflection, prayer and liturgy. Participants are required to attend all four weekends. This course has taken place in Dublin Diocese for the past six years and is designed and delivered, through a partnership agreement between the Archdioceses of Dublin and the Archdiocese of Liverpool. The course will take place again this year starting in October or require more information please email: rlavelle@dublindiocese.ie or evangelisation@dublindiocese.ie
