TAP and GO FACILITY

For the month of May the **TAP and GO FACILITY** totalled **€650**. On behalf of Archbishop Farrell, sincere thanks to those who contribute to the **COMMON FUND and SHARE** collections through this facility. These TAP and GO FACILITIES are at the back of the church. As a result of returning to the seat by seat collections at weekend masses, the amounts have increased as you will notice in our Newsletter details. We are very grateful for your co-operation with the passing of the blue and black bags and for your support of the two collections. **Fr. Tony**

SUMMER DUES DONATIONS

Though there is a slight increase in contributions at weekend masses in all parishes in the Dublin Diocese, our congregations have not yet returned to the pre pandemic numbers which means there is still a shortfall in the payment fund for the priests of the Diocese, including sick and retired priests, of which there is a significant number and those requiring special nursing care. The Archbishop has asked that if parishioners, like last summer 2021, would make a donation through **SUMMER DUES ENVELOPES** which are available in the porch-ways and at the back of the Church. Last year's Summer Dues Donations from parishes helped hugely to build up the funds in the Common Fund Payment Account. Be assured of our gratitude to all of you for your generosity. **Fr. Tony.**

Seeing your Life through the Lens of the Gospel 19th June 2022 - The Most Holy Body and Blood of Christ (Corpus Christi)

1. Jesus welcomes the crowd, taught them, and cured those in need of healing. Bring to mind the ways in which the story of Jesus and his message have brought you enlightenment, and healing.
2. Today we are invited to walk in the footsteps of Jesus by welcoming people affected by Covid, displaced by war, or struggling to make ends meet. Perhaps in the face of these difficulties you feel helpless. So did this disciples and yet Jesus said to them 'You give them something to eat'. They thought what had was insufficient but Jesus used the little they had to feed the crowd. Have you ever found that when you give the little you have to a situation, the results were beyond your expectations?
3. The miracle is symbolic of the abundance of blessings coming to us from God through Jesus. How has your faith in Jesus been a source of nourishment to you? What blessings have you received through your faith

New Pilgrim Path: 11 small ways you can help mend the world

"There is much in the world that needs mending. There are signs that our society is unwell, with polarization and anger sizzling under the surface of our discourse. The problems of the world feel big and overwhelming. And we can look to big things to rescue us: national elections, a revolution, widespread revival, the apocalypse. Yet most of us, in our limited spheres, must learn to embrace small practices of repair. These practices, though small, are profoundly significant. They are the tiny threads that weave a society where, as Dorothy Day said, "it is easier for people to be good."

"11 small ways we can help mend the world" is written by New York Times journalist, Tish Harrison Warren, an American Anglican priest. She presents small and practical ways that anyone can use to practice repair. Access them here www.newpilgrimpath.ie.
