**Thought for the Week**

"God's love has been poured into our hearts through the Holy Spirit who has been given to us." - Romans 5.5

**Pentecost- The Feast of the Birthday of the Church -  
Celebrating the beginning of the Church's Mission,  
the birth of a new community.**

The Holy Spirit used to be the forgotten person of the Trinity. There are several reasons why we should never forget the Spirit. The first is that he wasn't forgotten by Christ. On the eve of Christ's Passion, He promised to send Him to the disciples-in fact, he took pains to emphasise the importance of the Spirit's role, He would be a helper, a counsellor, a teacher. Indeed, Our Lord's words of introduction are rather startling; 'It is for your own good that I am going, because unless I go, the Paraclete will not come to you; but if I go I will send him to you' [Jn.16; 7].

The Holy Spirit is the Spirit of Christ Himself. He would not be limited. He would have the freedom of the wind. He would have the freedom of every heart in every generation. Instead of living with some, He could now live within all. He would have the world at His fingertips. So the Spirit's presence would make good Christ's promise 'And know that I am with you always, yes to the end of time' [Mt. 28; 20].

The second reason is that the Spirit made such a difference to the lives of the early Christians that they could never forget Him. Before His coming they were timid and afraid, like children huddling together in a storm. When He descended upon them in a miraculous confusion of wind, fire and speech they were utterly transformed. They were filled with the Holy Spirit [acts 2:4]. The Spirit would stay in their bloodstream. Every decision they made would be Spirit-shaped. It was felt too at the ordinary level at what we call the 'grassroots'. It was felt in the gifts that were Spirit-sent for the service of the Church-unusual gifts like healing or prophecy, but in ordinary gifts too, required to meet the needs of God's children everywhere- 'Love, joy, peace, patience, kindness, goodness, trustfulness, gentleness and self-control [Gal.5:22].

It is by exercising these gifts that we remember the Spirit best. "Send forth Your Spirit, O Lord, and renew the face of the earth".

**Food For Thought.**

Blessed John Henry Newman writing 150 years ago wrote, 'I want men and women who know their religion, who enter into it and who know just where they stand...I want an intelligent and well instructed laity'. Ask yourself the following questions posed by Pope John Paul II at the World Congress of Catholic Laity in 2000AD.

1. What have I done with my Baptism & Confirmation?
2. Is Christ really the centre of my life?
3. Do I have time for prayer in my life?
4. Do I live my life as a vocation and mission?

Certainly food for thought this weekend when we celebrate the Feast of Pentecost—The Feast of the Holy Spirit.
