### Thought for the Week

"Come Holy spirit, fill the hearts of your faithful, and kindle in them the fire of your love" - Gospel Acclamation

### Renewal.....

In the wind, I feel your Spirit.

In the sun, I feel your Love.

In the rain, you wash away my sins; you shine in the stars above.

You are everywhere I go.

You are everything I need.

You are the Love that keeps on giving to whoever is in need.

Sometimes I like to write what I call prayer-poems. Like the one above, I wrote it after going for a walk on a beautiful, windy and sunny day. That's when I often feel the presence of God, out doors walking about in His beautiful creation. The image of wind is used to symbolise the Holy Spirit, the third Person of the Holy Trinity. The wind can be powerful or gentle, it is a force in our world and yet we cannot see it. The Holy Spirit continues to be active in our world today. We hear a lot about the need for renewal in our Church today, whatever that word Renewal means! But if there is to be renewal it will only be in and through the Holy Spirit that the Church can be renewed.

Is the Holy Spirit not already speaking to us of how to renew our church, through all of us who make up the body of Christ, the Church? Are we listening? Are we prepared to let the Holy Spirit lead us, mould us, use us? Jesus tells us that if we love him we will keep his word and that the Holy Spirit will remind us of all that he had to say. Does our Church at this moment is history reflect the love of Jesus? The Holy Spirit is showing us how some in the Church have strayed from the love of Christ? Are we ready to let the Holy Spirit renew the Church? God I hope so... Come Holy Spirit, show us the way, help us to live like Christ each day. Amen

Fr Michael Kelly
