Thought for the Week

"Most of the shadows of this life are caused by standing in one's own sunshine." — Ralph Waldo Emerson American essayist

The Deep End - Love One Another

'Love one another' is the basic principle of Christianity, to love as Jesus loved. It is simple, yet we can make it so complicated. Jesus' love was controversial for some people, because it was love without exclusion. To love as Jesus loved is to love those it is hard to love. This love ultimately led to Jesus' death. Jesus loved sinners, tax collectors, prostitutes, people of other religions, the poor, the unwanted, the sick, the beggar, the leper. This love is too much for some Christians today also. It is hard to love the sinner or to love family members or friends who have hurt us. Yet this is the love that we are called to. Once we begin to accept that we are infinitely loved by God, it is like a domino effect where that love is poured outwards in our lives. We are part of this outpouring of God's creative love and are called to bring this into places where there is none. In this way we are helping to heal, sustain and nourish this world.

Let us hear those words of the Gospel more clearly today: 'Just as I have loved you, you must also love one another. By this everyone will know that you are my disciples.' Let us dream of, and work towards, a world where this is a reality.

'God has given us the power to create beauty, to make another smile, to be a healing presence in someone's sorrow, to bring justice to the oppressed, to console those in difficulty, to bring peace and joy to others, to help those in need, to laugh and enjoy life, to do good and turn from evil, to forgive those who have hurt us, and, most of all, to love.' - Iris Perez

MINISTRY SUNDAY COLLECTION

This weekend, 18/19 May, for the first time we are holding a new collection which will be called the **Ministry Sunday Collection**.

This new annual collection will replace the Share Collection and will be devoted to support the building up of new forms of lay ministry in our parishes. The work of spreading the Gospel of Jesus in our changing religious culture will require more lay men and women working in various ways alongside our priests at the heart of parish communities.

The *Ministry Sunday Collection* is about ensuring that we will have the people we need - men and women who will be to the fore in making our parishes vibrant faith communities into the future.

While many of those involved will be volunteers, we will have to equip and train leaders and provide facilities for formation. We want to work towards a situation where all parishes in this Archdiocese benefit from their gifts and expertise. The new collection is one-step in that process.
